FOR IMMEDIATE RELEASE

**CLIMB Theatre presents *Country Mouse, City Mouse:*
Adventures in the Suburbs at Oshkosh Public Library**

Oshkosh, Wis. – Families looking for a fun and refreshing activity to beat the summer heat are invited to Oshkosh Public Library for an engaging performance of ***Country Mouse, City Mouse: Adventures in the Suburbs*** presented by CLIMB Theatre.

On Tues., July 2 at 2 p.m. this enchanting tale will come to life in the library's Lower Level Children's Department.

Join the lovable mouse cousins as they embark on their latest adventure to the suburbs where Country Mouse wants to explore the new area while City Mouse just wants to relax with a good book.

Will conflict tear apart their relationship, or will they learn to compro-mice and celebrate their differences?

Through lively storytelling and relatable examples, young audiences will not only be entertained but learn valuable lessons about empathy and advocating for their own needs.

This half-hour interactive performance is tailored for kids aged 10 and younger, although all children are welcome to attend alongside their grownups.

Founded in 1975, CLIMB Theatre's mission is to inspire and propel people towards acts that benefit themselves, others and their community.
