Public invited to An Evening with the Library Director

March 28, 2024 – Community members are invited to meet Oshkosh Public Library Director Darryl Eschete for an informal discussion of the state of the library on Tues., April 16 at Caramel Crisp Corner. At the event, Eschete will share his vision for the library and answer questions from 6 to 7 p.m. at the downtown cafe and bookstore located at 200 City Center.

Eschete, who started work as director on Jan. 15, hopes to hear Oshkosh’s honest opinions of how the library is serving users, the programs and services its patrons value most and what the community envisions for its library in the future. Such feedback is crucial to the success of the library’s customer-centered mission, says Eschete.

“The Oshkosh community deserves an excellent library,” Eschete says. “We can make that happen by asking users what they expect, establishing meaningful connections with the people we serve and always striving to serve them better.”

Anyone who is unable to attend An Evening with the Library Director is invited to share feedback about the library by emailing info@oshkoshpubliclibrary.org.
